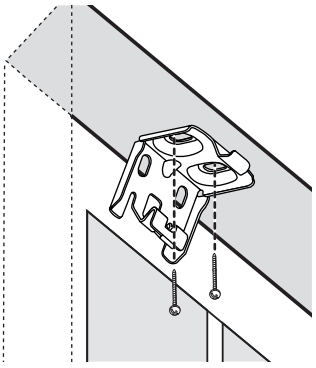
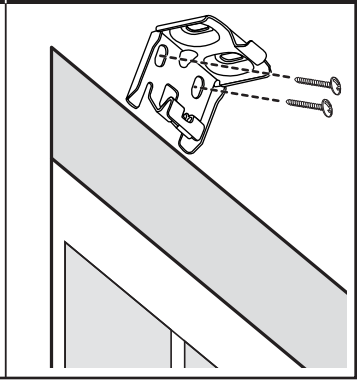
Installation Instructions • Instrucciones de instalación

1. Determine inside/ceiling or outside mount

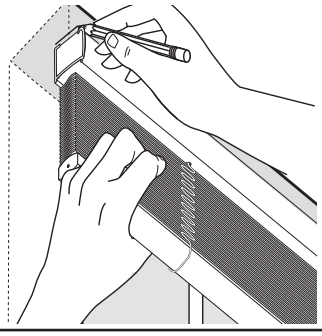
Determine el montaje de techo/interior, exterior o montaje lateral

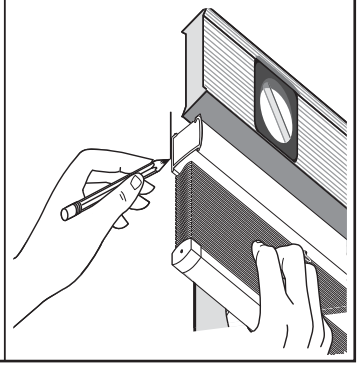
Inside/Ceiling Mount Montaje de Techo/Interior	Outside Mount Montaje Exterior
	




2. Place blind in desired location and mark corners.

Coloque la persiana en la ubicación deseada, marque las esquinas.

Inside/Ceiling Mount Montaje de Techo/Interior	Outside Mount Montaje Exterior
	




3. Tilt headrail forward and mark location of internal components. For proper operation of the blind, brackets must be outside of this area.

Incline la persiana hacia adelante y marque con una “X” la ubicación de los componentes internos. Para un correcto accionamiento de la persiana, los soportes deben estar fuera de esta área.
